See One of the Hottest Products of 2019 on the OneAV Booth

Advanced Technology is the Name of the Game

We invite you to join us and see a truly revolutionary concept. The IPAV Pro Series provides a complete product family designed to replace every aspect of the Matrix. Three form factors are now available, and more SDVoE based IPAV innovation is yet in progress for the show.

See also new PureTools HDMI 2.0 Seamless 4K 18 G Multiformat HDBaseT Presentation Switchers devices, new cable developments, and more.

HOT! IPAV Pro Series Now Complete - Unique Tools for AV over 10G Distribution

AV Paradigm Shift that will change the Market forever

The new IPAV 1200 Series is a rack mountable card system designed specifically with the goal of high density I/O, the ability to pack multiple ports into a small space.

Combining the features set of SDVoE and the reliability of the OGX PureLink presents a unique innovation guaranteed to be one of the hottest products of 2019.

PureTools HDMI 2.0 Seamless 4K 18 G Multiformat HDBaseT Presentation Switchers

With these features still rare in the market, the new PureTools PMS Seamless Presentation Switchers provide a versatile all in one solution, simple and easy control and connectivity and collaborative solutions to modern meetings with any devices in any-size spaces.

HDMI 2.0 and HDCP 2.2 compliant. Support video resolutions up to 4K@60Hz 4:4:4., down- and upscaling, 1080P, 1920x1200P, 4K@30Hz, 4K@60Hz can be selected for HDMI and HDBaseT outputs - and more.

PureLink DATA Series - Active USB2.0 and 3.1 Gen.1 Performance for Conference and Meeting Rooms

The new active USB extension cables extend and regenerate the performance of any USB device. Extend a single USB peripheral or add multiple remote devices to your host system with an integrated Hub.

The active USB cables are bus powered with an integrated amplification chipset to ensure the Hi-Speed USB 2.0 and SuperSpeed 3.1 Gen. 1 performance at longer lengths than a standard USB cable.

OneAV is the first European specialist distributor for AV Connectivity products. We pride ourselves on being able to provide the highest quality solutions for any AV project, backed up with first-class technical knowledge and support that only a focused connectivity specialist can offer.

Register now! We invite you to appoint a meeting with us on the show.
