

In 2020, ISE will be held in RAI international Exhibition and Congress Centre, Amsterdam, the Netherlands by InfoComm International. Nearly 1 thousand enterprises will show their professional audio-visual equipment and information system integration technology. What's more, there will be over 50000 merchants attending this event.

There is no doubt that we Xiong-Yun Industries will grasp this opportunity and take part in this grand event to show the world our professional team and our latest audio-visual equipment (Projection Screen, Projector Mount, Cables, Automated Integrated Cabinet for UST Projectors).

Xiong-Yun Industrial Development Co., Ltd. (hereinafter referred to as "Xiong-Yun") was founded in 2013, Xiong-Yun has setup a standard production base of 15,000 square meters located in Nansha District, Guangzhou, China. We have two production factories (Guangzhou Xiong-Yun Audio-Visual Equipment Co., Ltd. and Guangzhou Xiong-Rui Projection Screen Co., Ltd.), with an annual production capacity of 200,000 sets of products. Based on this, we supply OEM/ODM service to global customers. Our products can be extensively used in business and daily life, such as home theater, living room large-screen Theater, training and education, cinema and presentation of large projects. Our product lines include: fixed frame projection screen, motorized projection screen, portable out door projection screen, engineering screen, Projector mounts, HDMI cable etc. and will make a positive contribution in the future.
