

Press Release

Allsee Promises Biggest Ever Digital Signage Showing at ISE 2019

Date: 11th January 2019

PR Contact: Thomas Fraser-Bacon (Marketing Director)

Email: thomas.fraser-bacon@allsee-tech.com

Dedicated Digital Signage OEM, Allsee Technologies, will be exhibiting at the world's largest AV and systems integrators event, Integrated Systems Europe from the 5th to 8th February 2019 in Amsterdam. Building on the success of the last few years, Allsee's stand will be our biggest and best yet at over 100m² in size. Located at the heart of the Digital Signage hall at stand **8-C166** in hall 8, Allsee products will take centre stage, supported by our expert Digital Signage sales and technical teams who will look forward to welcoming you with a beverage, discussing partnership opportunities and doing live demonstrations with our ever-expanding range of Digital Signage solutions.

We will be showcasing our Queen's Award-winning core product ranges, which include:

- All-in-One Android Network Advertising Displays
- Freestanding Digital Posters
- Ultra-High Brightness Monitors
- Video Wall Displays
- Network Digital Menu Boards
- PCAP Touch Screens with Dual OS
- PCAP Touch Screen Kiosks
- Mirror PCAP Touch Screens
- Infrared Freestanding Touch Screen Posters
- POS Android PCAP Touch Screen
- Infrared Interactive Touch Displays for Meeting Rooms and Classrooms
- Cloud Based CMS and Touch CMS

As well as these we will be unveiling some new unlaunched products and bespoke solutions, such as:

- Digital Android Battery A-Boards
- Ultra-Wide Stretched Displays
- LCD Shelf Edge Displays
- Digital Rod Displays
- Hanging Double-Sided Window Displays

We look forward to meeting you on stand 8-C166 at ISE in 2018!

About Allsee Technologies

Allsee Technologies is based in Birmingham, United Kingdom. Founded in 2007 Allsee has quickly developed into market leading Digital Advertising Display Manufacturer with an impressive Blue Chip client portfolio. To meet the demand of our global distribution network of resellers, our factory in China has the capability to produce 2,000 displays every day, ranging from digital advertising displays, freestanding digital posters and touch screens to seamless video wall displays. Our success has been driven by our focus on delivering supreme quality, market leading customer service and unparalleled industry expertise. We are the only manufacturer committed to simplifying the emerging technology of Digital Signage for our customers.
