

Taiwan ODM/OEM Returns to Hall 15

Following an enterprising inaugural participation at ISE 2018, Sound Plug Electronic of Taiwan returns to ISE 2019 with much anticipation.

Located in Hall 15, Booth C380 (15-C380), Sound Plug Electronic is a strategic supplier to several of the world's most recognizable audio brands. We warmly invite R&D directors, product managers, product engineers, sourcing managers, innovators and distributors to our booth and explore the possibilities of what our pro-audio connectors, flexible gooseneck applications and ODM/OEM services might be able to bring to your product and component needs.

Founded in 2002, Sound Plug Electronic is an ISO 9001-2008, ISO 14001 and RoHS compliant manufacturer. Pro-audio connectors, flexible goosenecks and ODM/OEM services are the key services we offer. Many high-profile brands choose us because they know, when they work with us, they enjoy the advantages and benefits of having a partner who consistently deliver long term value via reliable quality, innovative engineering solutions and customer-centric service. We want to share the same high-level of excellence with you, our fellow ISE participants.

We, Sound Plug Electronic, look forward to meeting you at Booth 15-C380. Come and explore the possibilities with us. Sound Plug Electronic; "Plug In and Hear Our Sound".
