Impressive—ACME LED Wall Washer TB-1230QW

ACME Latest LED Wall Washer TB-1230QW, brings an easier “life” to the users and better visual enjoyment to the audiences.

12x30W four(R/G/B/W) in one LED, high efficiency, energy saving. Each LED is individually controllable, excellent color mixing. Professional optical system design ensures the light brightness and quality, as well as the uniformity of light output, but with limited light loss. Power-off protection avoids damages from sudden impact.
