Integrated Systems Europe is the world's largest AV systems integration show from 5-8 February 2019. Narvitech offers a wide range of collaborative solutions to suit your requirements. Come to our stand and experience our live event production solutions, from capture and streaming products to wireless display system.

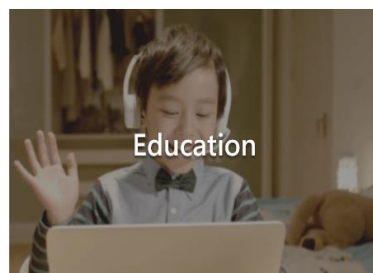

One of the key highlights of the show will be our new range of interactive boards with advanced collaboration and security features, ideal for meetings and presentations. We will also be showcasing our first ever affordable 4k IR Touch Monitor and an area where you can try our latest wireless display presenter.

Whatever you're looking for, come and meet our experts at stand 13-B116 and discover how we can inspire you!
