

Details make the differences

A professional interconnecting solution provider from Taiwan,
Invites you to visit us @ Hall 15, C-120.

What we provide...

Sure-Fire Electrical Corp., a 30-year-old interconnecting solution provider from Taiwan is grateful for participating ISE 2020 at Amsterdam , the best system integration event, and waiting for your visit to explore our expertise in the field.

As your partner in all interconnection-related matters, we support you professionally and provide comprehensive services. Sure-fire team takes your concepts into mass production and making it even better than you expected.

Process Overview

HDMI 2.1,

HDMI 2.1, the most recent update of the HDMI specification supports resolutions up to 10K. Dynamic HDR formats are also supported, and its bandwidth capability increases up to 48Gbps.

As an early technology adopter, Sure-fire is fully ready to offer HDMI 2.1 cables! We have our own designed connector for HDMI 2.1 and have sample standby at the lab, once CTS announces test spec., we will have our HDMI 2.1 cables certified at the first place!

USB-C/HDMI Active Optical Cable

What's more? It's excited to announce that Sure-fire provides AOC solution for USB-C and HDMI ensuring long distance transmission. Our USB-C AOC solution supports both data and audio/video transmission along with power delivery function.

USB-C 3 in 1 Dongle

USB-C Multi Port Dongle

Dongles

Sure-fire keeps making progress for developing diverse products. In addition to cables products, we're capable of designing/manufacturing dongle-type products based on clients' requirement/expectation. We're more than happy to take challenges!

Early adoption of up-to-date technologies keeps Sure-Fire and partners stay competitive in the marketplace. Our ambition leads us not only to develop different categories of product, but also to keep us moving forward. With up-to-date equipment added regularly, we ensure our products meet guidelines set by various organizations and of course every single specification defined by our partners.

You are warmly welcomed for visiting our booth and let's find out the opportunities!
