

# Prize-winning 10” Displays with Surround LED Bar at ISE 2020

ProDVX will bring three exciting, prize-winning displays to ISE 2020. Meet the SLB Series: three 10” Touch Displays equipped with Surround LED Bar. Having won a **COMPUTEX Design & Innovation Award** and **Stevie® Innovation of the Year Award** for its outstanding design and cutting-edge technology, the SLB Series is the ultimate solution for Room Booking, Room Signage and Customer Feedback Systems.

## AWARDS

ProDVX has won a Design & Innovation Award at COMPUTEX 2019 for its **APPC-10SLB model**, a 10-inch Android SOC Touch Display equipped with a LED light bar surrounding the screen. ProDVX was also named the winner of a Bronze Stevie® Award in the Innovation of the Year, Business Products Industries category due to “outstanding understanding of the need to build flexibility into new technology to make it have greater value”.

## PRODVX @ ISE 2020

Since 2004, ProDVX has been making the difference for its clients with valuable solutions. First and foremost by leading the way in product development and through a diverse and innovative product portfolio. The SLB Series is on show at ISE 2020. Would you like to learn more about these prize-winning 10” Touch Displays? Check out booth 8-G435 or take a look at [www.prodvx.com](http://www.prodvx.com)!
