

StarLeaf recognized as a Visionary in the Gartner 2019 Magic Quadrant for Meeting Solutions

London, UK, September 10, 2019. StarLeaf, the global provider of world-class video conferencing for enterprises, has been evaluated as a Visionary by Gartner, Inc. in the 2019 Magic Quadrant for Meeting Solutions.

The Magic Quadrant for Meeting Solutions assesses vendors according to the completeness of their vision and their ability to execute against this vision. StarLeaf is one of 16 vendors worldwide to be included.

‘At StarLeaf, we endeavor to be the video conferencing provider of choice for enterprises around the world, by delivering meeting solutions that exceed expectations of service, security, and support’, said Mark Richer, StarLeaf CEO. **‘We believe our recognition as a Visionary in the Gartner Magic Quadrant for Meeting Solutions is a testament to StarLeaf’s success in the enterprise, enabled by the StarLeaf full-circle service and premium customer experience.’**

StarLeaf has made several impressive advancements in the last year which have contributed to increased adoption across the enterprise, including:

- Revolutionizing the in-room experience with [StarLeaf Pronto](#)
- Leading the way in video conferencing reliability with [our unique 99.999% uptime SLA](#)
- Remaining at the forefront of enterprise video conferencing security with [our ISO 27001 certification](#)

For enterprise customers, StarLeaf is the trusted technology partner that puts engineering at the heart of everything it does and is the first choice meeting solution for organizations who value security, reliability and ease of use.
