

Statement on Coronavirus

28.01.2020: Following the recent international publicity around the Coronavirus outbreak in China, Integrated Systems Events, the producer of the Integrated Systems Europe exhibition, would like to clarify the following:

ISE 2020 will take place as scheduled on 10-14 February (including the Conferences and opening events on Monday) at the RAI, Amsterdam, The Netherlands.

We are monitoring and following guidelines issued by the World Health Organisation (WHO) and the European Centre for Disease Control and Prevention (ECDC), alongside advice given by local health agencies, airports and venues. We are advised that no additional measures are required.

We advise that exhibitors and attendees follow the care and hygiene recommendations recommended by the WHO:

<https://www.who.int/emergencies/diseases/novel-coronavirus-2019/advice-for-public>

We in addition will install hand sanitisers in multiple locations around the RAI exhibition building for the duration of the show. We will inform you should there be any further updates to this statement.

About Integrated Systems Events:

Integrated Systems Events organises, manages and develops leading business-to-business events for the professional audiovisual, electronic systems integration and IT industries. Integrated Systems Events is a joint venture of the AVIXA and CEDIA trade associations. Its flagship event, Integrated Systems Europe, is the world's largest audiovisual and systems integration trade show. This attracts over 80,000 attendees and 1,300 exhibitors to its Amsterdam location every February. Integrated Systems Events produces conferences that take place at Integrated Systems Europe and elsewhere, bringing together thought leaders and experts from around the world. These events include the Smart Building Conference, the Digital Signage Summit conference series (produced in association with invidis consulting),

XR Summit (covering virtual, augmented and mixed reality), Digital Cinema Summit (in association with Digital Cinema Report), Hospitality Tech Summit (in association with HTNG) and the forthcoming Control Room Summit. Visit www.isevents.org.

About AVIXA:

AVIXA™ is the Audiovisual and Integrated Experience Association, producer of InfoComm trade shows around the world, co-owner of Integrated Systems Europe, and the international trade association representing the audiovisual industry. Established in 1939, AVIXA has more than 11,400 enterprise and individual members, including manufacturers, systems integrators, dealers and distributors, consultants, programmers, live events companies, technology managers, content producers, and multimedia professionals from more than 80 countries. AVIXA members create integrated AV experiences that deliver outcomes for end users. AVIXA is a hub for professional collaboration, information, and community, and is the leading resource for AV standards, certification, training, market intelligence, and thought leadership. Visit avixa.org.

About CEDIA™:

CEDIA is the international trade association and central touch point for 3,925 member companies who design, manufacture, and install technology for the home. CEDIA is committed to helping members at every level set a pathway to prosperity by offering industry-leading education, training, and certification; delivering market intelligence through proprietary research; providing opportunities to foster community within the channel, and cultivating awareness with industry partners and consumers. CEDIA founded the largest annual residential technology show, now in its 30th year, and co-owns Integrated Systems Europe, the world's largest AV and systems integration exhibition. CEDIA members deliver technology solutions that allow people to have their best moments in life from the comfort of their own home. Life Lived Best at Home.
