AMSTERDAM, 29 JUNE 2017: Integrated Systems Events, the producers of the Integrated Systems Europe trade exhibition, has announced that Stefanie Corinth, Senior VP Marketing and Business Development NEC Display Solutions Europe and Piet Candeel, Senior VP EMEA, BARCO, have joined the ISE Board of Directors as of July 1 2017.

They will replace outgoing ISE board members Wolfgang Lenz from Comm-Tech and Ollie French from Future Automation.

Mike Blackman, Managing Director of Integrated Systems Events commented: “I’d like to welcome our new members and at the same time thank the outgoing ones. It’s vital that the ISE board regularly welcomes new members from our extensive exhibitor base so that we are exposed to fresh ideas and experiences.

Stefanie and Piet will bring valuable market intelligence and insight on the sectors in which they operate. Additionally, they will offer first-hand feedback on how ISE as a trade show works as a vehicle for their products, services and customers”.

“Their input, like that of their valued predecessors, enables ISE to keep developing the added value that both the AV systems integration business and our exhibitors look for.”
